

# Tren de vapor

Steam train

Encourage your children to pretend to be trains as they listen to this song.

## Song 9

Vamos en tren  
Por la mañanita  
Vamos en tren ¡Vámonos!  
El conductor gira el volante  
¡Chucu, chucu, chucu  
Chucu chu chuuv!

Let's go by train  
Early in the morning  
Let's go by train. Let's go!  
The driver turns the handle  
Chuff, chuff, chuff  
Chuff, choo, choo!

A la estación  
Pronto llegaremos  
Despacio ¡Vámonos!  
El conductor frena con cuidado  
¡Chucu, chucu, chucu  
Chucu chu chuuv!

At the station  
We will soon arrive  
Slowly. Let's go!  
The driver carefully brakes  
Chuff, chuff, chuff  
Chuff, choo, choo!

## Did you know?

Spain has a high speed railway service called AVE (**Alta Velocidad Española**) cleverly, 'ave' also means bird. The trains travel at up to 193 mph and the system is the longest high speed rail network in the world (after China) covering 1,900 miles.

# Los trenes

The trains

Circle the 5 differences between these two trains.
